CALL FOR PAPERS

ELSEVIER — PROCEDIA COMPUTER SCIENCE

5th International Conference on Machine Learning & Data Engineering (ICMLDE 5.0), 2026

27–28 November 2026|Dehradun, India| • www.icmlde.org

In association with University of Dayton, Ohio & Providence University, Taiwan

---

Dear Researcher,

It is our great pleasure to invite you to submit your scientific work to the 5th International Conference on Machine Learning & Data Engineering (ICMLDE 2026), to be held on 27–28 November 2026.

All accepted papers will be published in ***Procedia Computer Science***, Elsevier (Scopus Indexed): https://www.journals.elsevier.com/procedia-computer-science

We wish to provide a forum for focused discussions on new topics and innovative applications of established approaches across the many fields of Machine Learning and Data Engineering. To this end, we invite original, unpublished papers from researchers, academicians, scholars, and industry experts worldwide.

Procedia Computer Science is indexed in Scopus, the Web of Science, ACM, INSPEC, and Engineering Village. All published papers are freely available on the Elsevier content platform ScienceDirect (www.sciencedirect.com).

Kindly visit the conference website at https://www.icmlde.org/ for full author guidelines, tracks, and submission details.

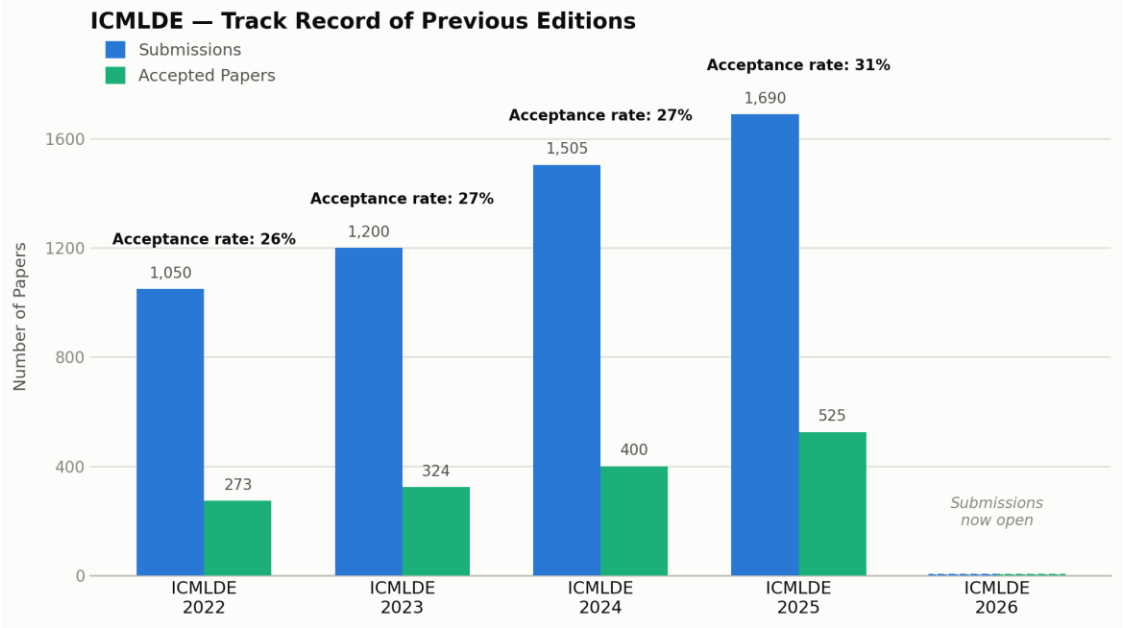
Track Record of Previous Editions

ICMLDE 2022 received more than one thousand manuscripts worldwide; of these, 273 were accepted and published in Procedia Computer Science, Elsevier, Vol. 218 (2023). ICMLDE 2022 was sponsored by SERB, Department of Science and Technology, Government of India.

ICMLDE 2023 drew more than 1,000 submissions from over 3,500 contributors across 45 countries. Of these, 324 papers were accepted and published in Procedia Computer Science, Elsevier, Vol. 235 (2024), and indexed in Scopus and DBLP. ICMLDE 2023 was sponsored by SERB, Department of Science and Technology, Government of India, IBM and Ministry of Electronics and Information Technology, India.

ICMLDE 2024 received 1,505 submissions from over 3,800 contributors across 47 countries. Of these, 400 papers were accepted for publication in Procedia Computer Science, Elsevier, Vol. 258 (2025). The edition was sponsored by the Ministry of Electronics and Information Technology (MeitY).

ICMLDE 2025 received 1,690 submissions with participation from over 6,000 contributors worldwide, sponsored by MeitY and SERB (Anusandhan National Research Foundation), Government of India. 525 papers were accepted for presentation and publication, in Procedia Computer Science, Elsevier, Vol. 283 (2026).



Submissions, acceptances, and acceptance rate across ICMLDE 2022–2025; ICMLDE 2026 submissions are now open.

Important Dates

Milestone	Date
Paper Submission Deadline (Round 1)	15 August 2026
Paper Submission Deadline (Extended)	30 August 2026
Camera-Ready Submission date (On or before)	27th October 2026
Conference Dates	**27–28 November 2026**

Sponsorship & Affiliation

Previous editions of ICMLDE have been supported by the Ministry of Electronics and Information Technology (MeitY) and SERB, Anusandhan National Research Foundation, Government of India, and IBM, and have been organized in association with University of Dayton, Ohio and Providence University, Taiwan.

Submit Your Paper at https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FICMLDE2026

We look forward to receiving your valuable contribution and to welcoming you to ICMLDE 2026 in India.

Kindly visit the conference website at https://www.icmlde.org/ for the latest updates on tracks, deadlines, and registration.

Warm regards,
Organizing Committee
